

AMNESTY INTERNATIONAL TURKEY and its ECONOMIC ENTERPRISE
CONSOLIDATED FINANCIAL STATEMENTS &
INDEPENDENT AUDITOR'S REPORT
FOR THE FISCAL PERIOD 1 JANUARY – 31 DECEMBER 2024

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Amnesty International Turkey and its Economic Enterprise

Audit of the Consolidated Financial Statements

1) Opinion

We have audited the consolidated financial statements of Amnesty International Turkey and its Economic Enterprise (the "Group"), which includes the consolidated statement of financial position as of 31 December 2024 and the consolidated income statement for the fiscal period then ended.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Amnesty International Turkey and its Economic Enterprise as of 31 December 2024, and its financial performance for the fiscal period then ended, in accordance with the recognition and measurement principles set forth in the General Communiqué on the Implementation of the Accounting System issued by the Ministry of Finance.

2) Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing ("ISA") which are part of Turkish Auditing Standards issued by the Public Oversight, Accounting and Auditing Standards Authority of Turkey (the "POA"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We hereby declare that we are independent of Amnesty International in accordance with the Code of Ethics for Independent Auditors (the "IESBA Code") and the ethical requirements regarding independent audit in the relevant regulations issued by POA. We have also fulfilled other ethical responsibilities in accordance with the Code of Ethics and the relevant regulations. We believe that the audit evidence we have obtained during the independent audit provides a sufficient and appropriate basis for our opinion.

3) Other Matter

The financial statements below have been prepared in accordance with the measurement and recognition principles of the Accounting System Implementation General Communiqué published by the Ministry of Finance, in all its important aspects, and these principles are different from the accounting principles, International Financial Reporting Standards ("IFRS") and Turkish Financial Reporting Standards ("TFRS") published by the POA. The effects of these differences have not been measured. Therefore, the financial statements below have not been prepared in order to present the financial position, operating results and changes in financial position in accordance with the accounting principles, IFRS and TFRS valid in the countries. The Group's financial statements for the accounting period ending on 31 December 2023 were audited by another independent auditor and a positive opinion was given on the consolidated financial statements in the audit report dated 12 June 2024.

4) Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management of the Group is responsible for the preparation and fair presentation of the financial statements in accordance with the Uniform Chart of Accounts of Turkey, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Group's financial reporting process.

5) Auditor's Responsibilities for the Audit of the Financial Statements

The auditor's responsibilities in the audit are as follows:

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error, and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users based on the financial statements.

As part of an audit in accordance with the ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. In addition, we:

- Identify and assess the risks of material misstatement of the financial statements due to fraud or error; design and perform audit procedures responsive to those risks; and obtain sufficient and appropriate audit evidence to provide a basis for our opinion. Acknowledge that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Evaluate the Group's internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on whether there is a material uncertainty related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern, and whether management's use of the going concern basis of accounting is appropriate, based on the audit evidence obtained. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control identified during our audit.
